NOTICE OF CONTINUED PERFECTION
OF MECHANIC'S LIEN PURSUANT TO 11
U.S.C. § 546(b)(2)

- ☐ Affects PG&E Corporation
☐ Affects Pacific Gas and Electric
Corporation
☐ Affects both Debtors

**All papers shall be filed in the Lead Case
No. 19-30088 DM

1. TIM MESSER CONSTRUCTION INC., A CALIFORNIA CORPORATION ("Messer Construction"), by and through its undersigned counsel, gives notice of continued perfection of its mechanic's lien ("Mechanic's Lien") under 11 U.S.C. § 546(b)(2), as follows:

2. Messer Construction entered into a contract ("Contract for Work of Improvement") with PG&E Corporation and/or Pacific Gas and Electric Co. (collectively, the "Debtors") to provide labor, services, equipment, and/or materials for a work of improvement on real property located at the Helms Pumped Storage Facility, 66898 McKinley Grove Rd., City of Shaver Lake, 93664 County of Fresno, State of California (the "Property") owned by the Debtors.

1 3. The principal sum, exclusive of interest and other charges, that is currently due and
2 owing to Messer Construction for the labor and materials provided to the Debtors pursuant to the
3 Contract for Work of Improvement is \$487,300.33.

4 4. On March 28, 2019, Messer Construction perfected its Mechanic's Lien under
5 California Civil Code §§ 8400, *et seq.* by timely recording its Mechanic's Lien (Claim of Lien) in the
6 Official Records of Fresno County, State of California, as more fully described in its Mechanic's Lien.
7 (A true and correct copy of Messer Construction's recorded Mechanic's Lien claim is attached hereto
8 as Exhibit "A" and is incorporated herein by reference).

9 5. Under § 8460 of the California Civil Code, a mechanic's lien claimant must commence
10 an action to enforce a lien within 90 days after recordation of the claim of lien.

11 6. The automatic stay pursuant to 11 U.S.C. § 362 precludes Messer Construction from
12 filing a state court action to enforce its Mechanic's Lien. However, § 546(b)(2) of the Bankruptcy
13 Code states that when applicable law requires seizure of property or commencement of an action to
14 perfect, maintain, or continue the perfection of an interest in property, and the property has not been
15 seized or an action has not been commenced before the bankruptcy petition date, then the claimant
16 shall instead give notice within the time fixed by law for seizing the property or commencing the
17 action. (*See* 11 U.S.C. § 546(b)(2); *see also In re Baldwin Builders (Village Nurseries v. Gould)*, 232
18 B.R. 406, 410-411 (9th Cir. 1999).

19 7. Accordingly, Messer Construction hereby provides notice of its rights as a perfected
20 lienholder in the Property pursuant to California's mechanic's lien law. Messer Construction is filing
21 and serving this notice to preserve, perfect, maintain, and continue the perfection of its lien and its
22 rights in the Property to comply with the requirements of California state law, 11 U.S.C. §§ 362(a),
23 362(b)(3), and 546(b)(2) and any other applicable law. This notice constitutes the legal equivalent of
24 having commenced an action to foreclose the lien in the proper court. By this notice, the Debtors and
25 other parties in interest are estopped from claiming that the lawsuit to enforce Messer Construction's
26 Mechanic's Lien was not timely commenced pursuant to applicable state law. The interests perfected,
27 maintained, or continued by 11 U.S.C. § 546(b)(2) extend in and to the proceeds, products, offspring,
28 rents, or profits of the Property.

1 8. Messer Construction intends to enforce its rights under the Mechanic's Lien to the
2 fullest extent allowed under the law. This Notice shall not be construed as an admission that such
3 filing is required or to the necessity of recording, commencement, or seizure. This Notice shall
4 preserve and continue to preserve any and all of Messer Construction's rights as to its Mechanic's
5 Lien.

6 9. This Notice does not waive Messer Construction's right to seek relief from the
7 automatic stay to foreclose its Mechanic's Lien and/or a waiver of any other rights or defenses.

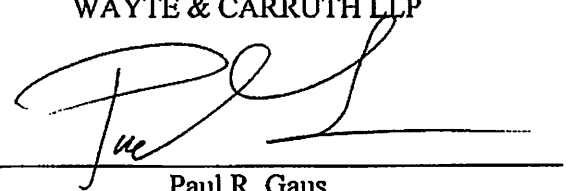

8 10. Messer Construction reserves the right to amend, supplement, or otherwise modify this
9 Notice and reserves any and all rights entitled to it under the applicable law.
